	<p>High cost-performance LRS series 35W~350W</p>		<p>Top tier industrial power HRP(G) series 75~1000W</p>
	<p>Multiple output voltages (Single Vo) RS series 15W~150W (Dual Vo) RD series 35W~125W, RID series 50W~125W (Triple Vo) RT series 50W~125W (Quad Vo) RQ series 50W~125W</p>		<p>General industrial high power RSP series 75W~3000W, CSP-3000 DPU series 3200W RST series 5000W/10000W</p>
	<p>Economical medium-high power SE series 450W~1500W</p>		<p>Medical 2xMOPP/MOOP grade MSP series 100W~1000W</p>
<p>***</p>			<p>Conduction-cooling semi-potted design UHP series 200W~3500W</p>
<p>***</p>			<p>Harsh-environment fully-potted design HEP series 100W~1000W</p>
